

It's time for the second newsletter about the European Company Sports Games 2007 in Aalborg

The new European Company Sports Games 2007 website is now up and running. Visit www.ecsg.aalborg.dk where you can find information about the Games and the City of Aalborg. The website will be updated regularly.

● EFCS Supervisor Meeting

The European Federation for Company Sports (EFCS) has decided to appoint an EFCS supervisor for the European Company Sports Games 2007 in Aalborg as well as all future games. This means that the Executive Committee, Sports Management and the organisers will be working closely together to ensure that the Games are up to a standard satisfactory to the participants.

The EFCS supervisor, Harry Burghoorn, visited Aalborg 1 – 3 March 2006. A series of very constructive meetings were held where issues such as the 21 sports disciplines, transportation, accommodation, etc. were discussed.

● Co-ordinators' Meeting

In keeping with EFCS' tradition, the European Company Sports Games 2007 organisation will invite co-ordinators and members from Sports Management to join us for a two days' visit in Aalborg. Here the co-ordinators will have an opportunity to take a view of the sports cites, the city itself and the modern and comfortable accommodation options which Aalborg can offer the participants in 2007.

The co-ordinators' meeting will take place 16 – 18 June 2006.

● Revision of the sports disciplines

The EFCS is currently revising the EFCS manual which consists of guidelines for the organisers. Some aspects regarding the sports disciplines have also been revised. One of the major changes relates to age divisions. In relation to football, handball, tennis and volleyball, previous games have divided participants in age divisions -35/+35. The new age division is -40/+40 in order to ensure more even matches.

The European Company Sports Games 2007 organisation has decided to incorporate these new readjustments in the planning of the games in Aalborg. The sports disciplines will be described in detail in Bulletin 2 which will be published in July 2006 and on our website www.ecsg.aalborg.dk

● EFCS General Assembly in Eindhoven, Holland

The European Company Sports Games 2007 organisation will be present at the EFCS General Assembly in Eindhoven 2 – 4 June 2006.

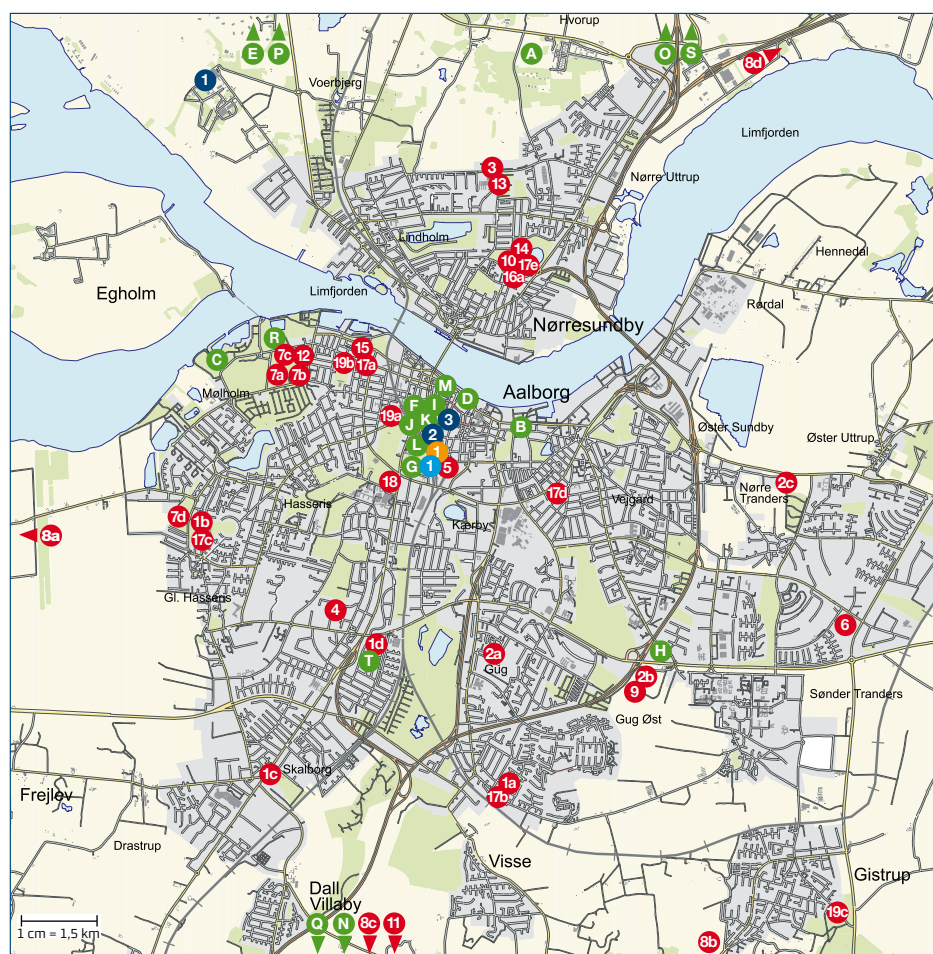

The General Assembly presents an opportunity to inform the EFCS and all the EFCS member countries about the progress made by the Aalborg organisation. On this occasion, we will be ready to present the concepts developed by working groups on sports, transportation, accommodation, communication, events and sponsors made up by representatives from our city's sports clubs, city administration, cultural life and the steering committee – groups which for quite some time now have been working intensely with the preparations.

● Everything is nearby!

Aalborg is a city where everything is nearby. Therefore, you will also find that with very few exceptions all the sports grounds and accommodation options are located in the centre of Aalborg or in the surrounding areas.

During the European Company Sports Games 2007 a free shuttle bus service independent of the public transport system will continuously transport participants to and from hotels, sports grounds and the Aalborg Congress & Culture Centre. The Aalborg Congress & Culture Centre provides an exciting setting for the opening and closing ceremonies, dinners and evening entertainment, the accreditation point and information centre.

Participants will receive a wristband valid for the shuttle bus service.
